

Other types of contributions for INTERACTIONS

1) Letter to the Editor

Short article (300-500 words) presenting a significant finding, or commenting an article previously published in Interactions, aimed at stimulating debates between authors.

2) Interview

Solicited article (500-1000 words), with 3-4 questions asked to a specialist in a field.

3) Target article and comments

Solicited target article, followed by several comments, and followed itself by the answer from the author(s) of the target article.
